

Gunk Green Degreasant

1 Litre

PRODUCT DESCRIPTION

Gunk Green is a water soluble biodegradable degreasant. Effectively removes grime, grease and stains from various surfaces including metal alloys and is safe for use with plastics, rubber and paintwork. Can also be used to clean concrete, tiled or plastic surfaces.

PRODUCT BENEFITS

- * Biodegradable
- * Effective formulation

PRODUCT USAGE

Ideally suited to clean a wide range of equipment including engines, automotive parts, bicycles along with industrial, agricultural and garden machinery.

DIRECTIONS FOR USE

Shake can well before use. Wear suitable protective gloves and eye/face protection. Decant into a suitable container. Brush the solution over the surface to be cleaned until the area appears thoroughly wet. Allow 10 minutes for the solution to penetrate, longer on extreme soiling. For heavy or stubborn areas scrub with a stiff brush, taking care not to scratch painted surfaces. Rinse with clean water.

Gunk green can also be used in a dip tank to clean metal parts and components. Place components in a wire basket and soak in solution for 10 minutes, remove and rinse with clean water.

Do NOT use on hot surfaces or hot engines. This product is NOT suitable for use on tarmacadam or asphalt driveways. Do NOT use on lacquered surfaces or damaged or pitted paintwork. Test on a small inconspicuous area prior to use.

STORAGE INSTRUCTIONS

Store sealed in a cool, dry place
