# More than just an oil company

Granville has invested heavily in Customer service and marketing programmes to build awareness of Granville throughout the UK.

With 99% stock availability, a dedicated Sales Team, highly developed order collation, quick order turnaround and rapid deliveries we always aim to exceed our Customer's expectations.

Over 70% of the Granville range is manufactured in our own factory with significant manufacturing capacity across all our core product areas.

Our vehicle specific lubricants, all meeting the latest technical specifications, are manufactured and distributed from our modern facility located in South Yorkshire.

# Continued evolution

The covid pandemic caused many businesses to revisit their supply chain, operations, stockholding and review their use of just in time production practices as a result of what would previously have been considered unprecedented global disruption. At Granville we reviewed our operations and supply chain and established a weakness for us was in the sourcing of bottles.

To resolve this we have invested in blow moulding equipment to be able to manufacture our own bottles as needed. This improves resilience, efficiency and is significantly more environmentally friendly as we will negate at least 100 truck journeys per year saving 1000 tonnes of CO2 per year. The ability to manufacture bottles and fill them on a single site is a major step forward in Granville's evolutionary journey.

20L	1	0271	5020618002710

API TC • JASO FB

## MARINE 2 STROKE OIL

A fully synthetic mid-SAPS engine oil specially formulated to meet the very latest specifications and fuel efficiency targets required by Ford for their latest Euro V & Euro VI engines. Suitable for use in certain Ford applications.

Size	Qty	Part No	Barcode
1L	12	1041	5020618010418

TC-W3

## COMPETITION 2 STROKE OIL

Fully synthetic oil for performance 2-stroke motorcycles and high performance scooters.

Size	Qty	Part No	Barcode
1L	6	0603	5020618006039

JASO FC • ISO-L-EGD  
Contains SQ-20 friction modifier.

## TOWN & CITY 2 STROKE OIL

Semi synthetic 2-stroke for scooters.

Size	Qty	Part No	Barcode
1L	6	0602	5020618006022

JASO FC • ISO-L-EGD

## POWER STEERING FLUID

Specifically designed to protect against pump breakdown caused by wear, foaming & oxidation. Power Steering Fluid with Conditioner Protects against wear and helps prevent squeals. Also contains leak sealer. Meets the requirements of: ATF: Dexron II.

Product	Size	Qty	Part No	Barcode
Power Steering Fluid	1L	12	0231	5020618002314
Power Steering Fluid w/ Conditioner	500ml	12	1813	5020618018131

## FLUSHING OIL

Quality base oils and cleaning additives formulated to remove carbon, sludge and varnish from inside the engine. This product is not suitable for use in new engines.

Size	Qty	Part No	Barcode
4.54L	4	0145	5020618001454

## RUNNING IN OIL SAE 30

Low detergent oil to promote bedding in of newly machined mated surfaces in rebuilt engines.

Size	Qty	Part No	Barcode
5L	4	1821	5020618018216

## HYDRO SUSPENSION FLUID

For use in British Leyland Hydrolastic suspension units.

Size	Qty	Part No	Barcode
4L	4	0100	5020618001003

## CHAINS AW OIL SAE 30

A superior quality anti-fling oil. Reduces wear and extends working life.

Size	Qty	Part No	Barcode
1L	12	1031	5020618010319
5L	4	0429	5020618004295

## BRAKE & PARTS CLEANER / DISPENSER

Removes dirt, grease, brake fluid and brake lining dust from all parts of the modern braking system. Formulated to improve brake performance and helps prevent brake squeal and clutch slip caused by contamination and glazing. Also designed to clean electric motors and CV joints. Dispenser with solvent resistant neoprene seals.

\* Brake & Parts Cleaner also available in 5L & 25L on previous page

## BRAKE & PARTS CLEANER

Powerfully removes dirt, grease, brake fluid and brake lining dust from all parts of the modern braking system. It is formulated to improve brake performance and helps prevent brake squeal and clutch slip caused by contamination and glazing. Also designed to clean electric motors and CV joints.

## CARB CLEANER

Improves efficiency and fuel economy by removing varnish and gum residues from carburettors and automatic chokes. Cleans carburettors and automatic chokes without dismantling.

## SPRAY ADHESIVE

A high strength spray adhesive which is ideal for areas where good initial strength and fast development of ultimate strength is required. Effective on glass, rubber, wood, metal and most lightweight materials. Not suitable for use on polystyrene or unbacked PVC.

## ELECTRICAL CONTACT CLEANER

A highly refined cleaning solvent that is safe for use on electrical contacts, switches and circuit boards without damaging plastic connectors. It has rapid cleaning properties, is fast drying and will not leave any residue. Contact Cleaner can also be used to remove dust, grease, oxide deposits, tobacco residue and other surface contaminants.

## COPPER GREASE

Ensures excellent protection for metal parts against heat, seizure, rust, corrosion, water and acid. The product forms a protective coating that will not wash or burn off. Will help prevent disc brake squeal when applied directly to calipers and back of disc pad.

## SPRAY GREASE & CHAIN LUBRICANT

With many uses throughout the workshop, industry and the home. It penetrates and lubricates cables, linkages, hinges, catches and is especially suited for motorcycle chains.

## WHITE GREASE WITH PTFE

Formulated to repel water, resist heat and salt and protect against corrosion. Provides long lasting lubrication to all components, used on brake linkages and components, gears, springs, bearings etc.

## MULTI LUBE

A powerful Penetrating Oil which frees seized and rusted parts. For jobs on the car, around the house, in industry and the workshop.

## SILICONE SPRAY

A 100% active stainless polysiloxane lubricating and releasing agent designed to prevent rust, corrosion and sticking on a wide variety of materials.

## BELT DRESSING

A formulated solution to increase efficiency on belt drive machinery. Belt Dressing increases torque and power of the belt by reducing instances of belt slip under heavy loads. This will increase longevity of the belt which in turn reduces cost of belt replacement. Suitable for use on flat, round, vee, leather, rubber or fabric belts. Can be used on car fan belts, automotive drive belts and belt driven machinery.

## QUICK START

A spray additive which aids engine starting even in the coldest weather conditions. For diesel, petrol, paraffin engines, garden machinery and plant equipment. Also contains an upper cylinder lubricant. Ideal for 'tired' batteries, points and plugs.

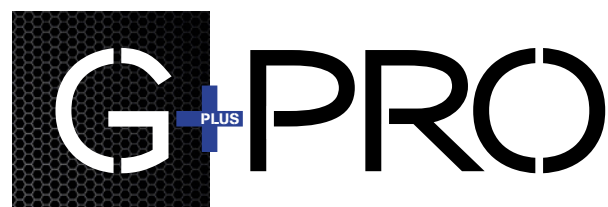

## CAR AC & INTERIOR DEEP SANITISER

A single use professional formula deep clean aerosol. It eliminates bacteria, viruses, mould and fungi that can develop within the vehicle air conditioning system, air vents and vehicle interiors including carpets and upholstery. Cleans the entire system in 10 minutes leaving a pleasant citrus fragrance.

## CERAMIC GREASE

A specially formulated lubricant designed with high heat conductivity. It can be used in a variety of areas where heat resistance is important, such as car brake pads and exhaust manifold studs. It can also protect against rust and corrosion, whilst providing lubrication to moving parts. It has excellent adhesion to metallic surfaces.

## MULTI PURPOSE GREASE

A high melting point lithium based LM2 grease with EP additives suitable for most automotive applications including wheel bearing and chassis lubrication.

5cm x 101cm	12	ER-400	0790920123247

## BATTERY TERMINAL PROTECTOR

Provides a protective barrier to inhibit corrosion of battery terminals and cable connectors. Prevents hard starts.

Size	Qty	Part No	Barcode
142g	12	BP-675	0790920012664

## AIR CLEAN

Cleans away mould, mildew and fungi from the air conditioning system. Suitable for use in the car and around the home.

Size	Qty	Part No	Barcode
255g	12	AC-100	0790920031009

## REAR VIEW MIRROR ADHESIVE SPRAY

Adhesive designed to re-apply rearview mirrors to windscreens.

Size	Qty	Part No	Barcode
295ml	12	RV-495	0790920128242

## #3 SUPER HEAVY DUTY GREASE

Sodium based, multi-purpose, fibrous lubricant. Recommended for severe service conditions. Water and rust resistant.

Size	Qty	Part No	Barcode
454g	12	GR-303	0790920009831

## OIL TREATMENT

Reduces friction, extends engine life. Helps stop oil foaming for better lubrication. Protects against motor oil breakdown.

Size	Qty	Part No	Barcode
443ml	24	AB-500	0790920011452

## FUEL INJECTOR CLEANER

Eliminates poor engine response and hesitation. Effectively dissolves gum, varnish and carbon deposits and helps remove water from gas fuel tank.

Size	Qty	Part No	Barcode
354ml	12	IC-509	0790920019359

## ENGINE OIL STOP LEAK

Helps stop minor leaks in main bearing sales, pan and valve cover gaskets. Helps prevent costly repairs.

Size	Qty	Part No	Barcode
354ml	12	EO-414	0790920125548

## FUEL SYSTEM CLEANER

Helps restore original power to entire fuel system. Safe for catalytic converters and oxygen sensors.

Size	Qty	Part No	Barcode
473ml	12	FS-900	0790920016990

## DIESEL INJECTOR CLEANER

Stops diesel engine hesitation. Helps remove water from diesel fuel tank. Improves mileage, dissolves gum and deposits.

Size	Qty	Part No	Barcode
354ml	12	DI-502	0790920015023

## DIESEL SYSTEM CLEANER

Increases diesel fuel economy and helps restore to maximum power. Reduces black smoke emissions and exhaust hydrocarbons and carbon monoxide.

Size	Qty	Part No	Barcode
473ml	12	DS-900	0790920014255

## SUPER GOLD PASTE WAX

Size	Qty	Part No	Barcode
230g	12	PW-400	0790920036394

## STOP LEAK POWDER

Plugs pinhole size radiator leaks and prevents seepage. Simple pour-in application.

Size	Qty	Part No	Barcode
20g	24	AB-404	N/A

## METALLIC SUPER SEAL

Copper reinforced liquid glass. Permanently seals holes and cracks in blocks, heads and radiators.

Size	Qty	Part No	Barcode
240ml	12	SS-822	0790920129980

## HEADLIGHT RESTORATION POLISH

Restores clarity to headlights, removing yellowing and improving visibility.

Size	Qty	Part No	Barcode
237ml	12	HR-237	0790920018826

## CARNAUBA CAR WAX LIQUID

Easily removes all gaskets and gasket residue from any metal or plastic housing.

Size	Qty	Part No	Barcode
473ml	12	LW-811	0790920032686

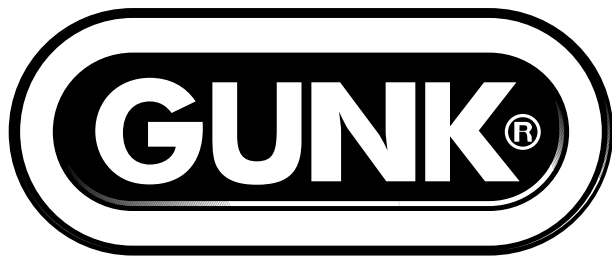

## DIESEL FUEL TREATMENT

Conditions fuel, enhances combustion and improves cold weather starts. Extends fuel filter life.

Size	Qty	Part No	Barcode
354ml	12	DT-508	0790920014057

## GUNK ENGINE DEGREASANT

A powerful and effective degreaser that can be used in a wide range of cleaning applications including automotive, industrial and agricultural.

Gunk is the world's leading brand of water soluble engine degreasant.

Brush: Chemical resistant cleaning brush with nylon bristles to clean those hard to reach places.

Product	Qty	Part No	Pallet Qty	Barcode

## GUNK POWER SPRAY

Power Spray has been specially formulated for use with all types of pressure washers. Suitable for cleaning hard surfaces such as concrete, tarmac, block paving, brickwork and timber decking.

Product	Qty	Part No	Pallet Qty	Barcode
5L	4	6855	40	5020618068556

## GUNK EXTREME HAND CLEANSER

Contains a blend of surfactants and natural citrus solvent. Designed to be an effective hand cleanser, yet gentle and pleasant to use. The perlite abrasive works to loosen ground-in dirt and grime effectively. This formulation does not contain light polymer bead (or polychips) for a more environmentally friendly alternative without impacting on cleaning performance.

Ideal for use around the home, garden, DIY, automotive, workshop and industrial sectors to remove: oil, grease, domestic paint, mud, polish & most other ground in dirt.

## DIESEL STOP SMOKE

Reduces smoke emissions from diesel engines and improves fuel economy.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1441	105	5020618014416

## DIESEL INJECTOR CLEANER

Maintains maximum combustion efficiency and reduces formation of injector deposits.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1435	105	5020618014355

## PETROL INJECTOR CLEANER

Designed to help clean carburettors and petrol injection systems.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1434	105	5020618014348

## DIESEL PARTICULATE FILTER CLEANER

Ensures complete & rapid DPF regeneration. Prevents performance loss caused by clogged particulate filters, reduces particulate emissions and extends lifetime of the particulate filter.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1427	105	5020618014270

## CATALYTIC CONVERTER CLEANER

Helps to prevent expensive replacement of the catalytic converter. Eliminates rotten egg smell, improves fuel economy and restores power & performance.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1428	105	5020618014287

## HYDRAULIC VALVE LIFTER TREATMENT

For petrol and diesel engines, releases sticking valves and quietens noisy valve lifters.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1437	105	5020618014379

## HYBRID PROTECT & CLEAN

Hybrid Protect & Clean is added specifically for hybrid engine technology. It actively cleans deposits in the fuel and combustion system and on injectors. Prevents build up of new deposits.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1425	105	5020618014256

## FUEL PROTECTOR

E10 Fuel Protector is an all-in-one fuel treatment for vehicles that require ethanol corrosion protection and valve seat lubrication and protection whilst boosting the fuels octane number.

Size	Qty	Part No	Pallet Qty	Barcode
265ml	12	1424	105	5020618014249

# High Performance Additives

## EGR VALVE CLEANER

Easy to use aerosol to release sticking EGR valves and clean entire air intake system to restore power and performance. Safe for use on vehicles fitted with mass air flow sensors, turbos and diesel particulate filters. For petrol and diesel engines.

Size	Qty	Part No	Pallet Qty	Barcode
200ml	6	1438	400	5020618014386

## MASS AIR FLOW SENSOR CLEANER

Cleans and removes deposits within the MAF sensor to eliminate poor acceleration, loss of power and reduced fuel economy.

Size	Qty	Part No	Pallet Qty	Barcode
200ml	12	1442	400	5020618014423

## ENGINE STOP LEAK

Works by expanding rubber engine oil seals.

Size	Qty	Part No	Pallet Qty	Barcode
375ml	12	1430	108	5020618014300

## ENGINE FLUSH

Add directly to used motor oil prior to draining to help neutralise corrosive acids.

Size	Qty	Part No	Pallet Qty	Barcode
375ml	12	1436	108	5020618014362

## ENGINE OIL TREATMENT

Reduces engine wear and promotes cooler, smoother and quieter engine running.

Size	Qty	Part No	Pallet Qty	Barcode
300ml	12	1431	108	5020618014317

## STOP SMOKE FOR OIL

Seals the gaps between worn internal moving engine parts. Suitable for both petrol and diesel engines.

Size	Qty	Part No	Pallet Qty	Barcode
300ml	12	1433	108	5020618014331

## DIESEL OIL TREATMENT

Designed for use in diesel engines to reduce engine wear, especially at start up.

Size	Qty	Part No	Pallet Qty	Barcode
300ml	12	1432	108	5020618014324

## STOP LEAK POWER STEERING FLUID

To stop and prevent leaks in power steering systems by gently conditioning seals.

Size	Qty	Part No	Pallet Qty	Barcode
300ml	12	1440	108	5020618014409

## ENGINE TREATMENT

Gives durable protection at successive oil changes during tough stop-go driving. A unique formula for all new and old petrol & diesel engines.

Size	Qty	Part No	Pallet Qty	Barcode
