

# 10k Catalytic Convertor Cleaner

265ml

## PRODUCT DESCRIPTION

10K Boost Catalytic Convertor Cleaner cleans and removes carbon deposits from the entire fuel system, injectors, valves and pistons which will result in better and more efficient combustion, reducing emissions and preventing damage to the catalytic converter. Catalytic Convertor Cleaner helps eliminate rotten egg smell, improves fuel economy and restores power & performance.

## PRODUCT BENEFITS

- \* Cleans and reduces carbon deposit build up and malfunctioning of the catalytic convertor.
- \* Prevents expensive repairs to the catalytic convertor.
- \* Improves combustion and engine performance.
- \* Reduces emissions of hazardous exhaust gases.
- \* Improves fuel economy.
- \* Restores power and performance.
- \* Eliminates rotten egg smell.

## PRODUCT USAGE

All petrol engines fitted with a catalytic convertor.

This product can also be used where diesel engines are fitted but MUST be used as a two part process. Part one: Fill the vehicle with diesel fuel and add one bottle of 10K Boost Catalytic Convertor Cleaner and run. Part Two: When next re-fuelling add one bottle of 10K Boost Diesel Injector Cleaner to a full tank.

## DIRECTIONS FOR USE

Pour the contents of one 265ml bottle in the fuel tank before filling it with petrol.

# 10k Catalytic Convertor Cleaner

265ml

## DOSAGE INFORMATION
