Nova

203 x 30mm - Double Radius

Single

PRODUCT DESCRIPTION

Nova Diamond Glide Black Foam Polishing Pad is a high quality, low density, open cell foam specially designed with the unique Nova 'Diamond' pattern for extra glide and cooling when used in conjunction with a Nova Final Finish 320 polishing compound. The unique design and structure of the foam cells assists in keeping the panel cool whilst offering a fast easy polishing action. Operating temperature is -10°C to + 150°C
