

Nova

150 x 50mm - Single Radius (Red) 14mm

Single

Product Description

Nova Red Super Soft Foam Polishing Pad is a high quality low density open cell foam specifically designed for machine use with a liquid polishing compound. The structure of the foam cells assists in keeping the panel cool whilst offering a fast polishing action. Can be used for mild cutting applications. Operating temperature is -10°C to + 150°C

Product Benefits

- * Cool running
- * Fast polishing/cutting action
- * Extremely durable

Product Usage

For polishing, final waxing and mild cutting of vehicle paintwork.

Directions for Use

Use in conjunction with a quality liquid polish, wax or mild cutting compound, follow the manufacturers instructions.
