

## G+Pro Silicone Spray

500ml

### Product Description

G + PRO Silicone spray is a non toxic, multipurpose aerosol for both lubrication of machinery, parts and prevention of seizing machinery. The product is safe for use on rubber, wood, metal and some plastics. It is quick drying and water repellent and also resistant to low and high temperatures.

### Product Benefits

- \* Clear general lubricant
- \* Release agent for use in injection moulding
- \* New look shine to all interior and exterior trim

\* Image for illustrative purposes only.

### Product Usage

G + PRO Silicone Spray has been primarily designed for automotive maintenance i.e. lubricating locks and hinges etc, but will find numerous uses around the home and office for lubricating, cleaning and polishing etc. The product will also help to eliminate static build up on plastic surfaces.
