

G+Pro Belt Dressing

500ml

Product Description

G + PRO Belt Dressing is a formulated solution to increase the efficiency on belt drive machinery. Belt Dressing increases the torque and power of the belt by reducing the times the belt would normally slip under heavy loads. This will increase the longevity of the belt which in turn reduces cost of belt replacement.

Product Benefits

- * Increased belt efficiency
- * Increased belt longevity

Product Usage

Suitable for use on flat, round, vee, leather, rubber or fabric belts. Can be used on car fan belts, automotive drive belts and belt driven machinery

Directions for Use

1. Shake aerosol well before use and apply from a distance of 15-30 cm
2. Good ventilation is required at all times when using the spray
3. For best results apply a thin film directly onto the drive face of the belt
4. Always test a small amount of the spray first on the belt it is to be used on

Storage Instructions

This aerosol should be stored out of direct sunlight and below 50°C

Shelf Life

12 months unopened, 6 months once opened

Appearance	:	White liquid
Odour	:	Characteristic
Specific Gravity	:	0.83
Solubility	:	Insoluble in water
Flammability	:	Highly flammable
Flashpoint	:	-60°C
VOC	:	358.4g per Litre
