

Granville Amberlight 9ml

Product Description

Granville Amberlight is a low viscosity amber coloured lacquer specifically designed for application to motor vehicle headlamps. Amberlight dries in 10-15 minutes to form a translucent amber coating which is suitable for continental driving.

Product Benefits

- * Quick drying

Product Usage

For the application to vehicle headlamps, driving lamps and fog lamps for continental driving and improved visibility in poor driving conditions.

* Image for illustrative purposes only.

Size	Part No	Barcode
9ml	0010	5020618000105

Directions for Use

Clean vehicle lamp lenses with a suitable glass cleaner then allow to dry.

Shake the container thoroughly before use.

Apply one or two coats of Amberlight using the brush provided, allowing Amberlight to dry between coats.

Warning - some modern vehicles are fitted with polycarbonate (plastic) headlamp lenses and Amberlight is not suitable for application to such lenses as it will be impossible to remove.

Storage Instructions

Store airtight in a cool dry area between 5°C and 30°C out of direct sunlight.

Shelf Life

2 years from date of manufacture

Appearance	:	Yellow/amber liquid
Odour	:	Characteristic
